

Environmental Preservation Alliance

Take a Stand! Protect the Land!

Membership Pledge

As a member of the Alliance, I pledge to be a conscientious steward of my land, always taking into consideration what is best for the land, the animals and plants as well as my needs as a property owner. I agree to educate myself on the ordinances already put in place by the county or city in which I live so as to better live in harmony with the environment, my neighbors and my community. Whenever possible, I will leave sections of my land unfenced so as to create an open corridor for animal and plant bio-diversity. If I sell my property, I will do my best to find a like-minded buyer who is willing to continue conscientious stewardship.
